SUPPLIER BOTANICAL AND HARVEST DECLARATION

REFERENCE LSBH-BOT-2026-0815 | USD / metric units unless specified

Declaration reference	LSBH-BOT-2026-0815
Declaration issue date	2026-10-09
Supplier legal name	LONGSHENG BAMBOO HOUSEWARES CO., LTD.
Manufacturing site	88 Jinghua Industrial Road, Cangshan District, Fuzhou, Fujian 350000, China (fictional address)
Manufacturer SKU	BAM-COAST-04
Product specification file	LSBH-SPEC-BAM-2026-08
Source harvest lot	BAM-ZJ-26-0815
Raw-material source	Cultivated bamboo plantation, Zhejiang Province, China
Country where plant was harvested	CHINA (CN)
Scientific genus	Phyllostachys
Scientific species	edulis
Common name	Moso bamboo
Component	Solid bamboo coasters (the only plant-material component)
Plant material mass per retail set	0.320 KG bamboo per 4-piece set
Other woods / recycled material	None in coaster material; 0% recycled
Referenced first shipment	HHI-IMP-2026-1047
Applicable production batches	LSBH-BATCH-26A and LSBH-BATCH-26B
Statement valid through	2027-10-09
Supplier reviewer (fictional)	Lin Wei, Quality and Material Compliance Manager

TECHNICAL AND TRACEABILITY STATEMENT

We declare for this synthetic test record that the product sold under SKU BAM-COAST-04 contains only bamboo of botanical species Phyllostachys edulis, sourced from plantation lot BAM-ZJ-26-0815 in Zhejiang, China. This same specified material lot is allocated to production batches LSBH-BATCH-26A and LSBH-BATCH-26B. Species, source lot and country-of-harvest identity do not change between these two batches. Finished quantities vary by purchase order.

This statement is supplier evidence and is not a government approval, FSC certificate, CITES permit, harvest authorization or independent third-party legal-origin verification.

Digitally prepared synthetic declaration. No real supplier signature, legal warranty, or third-party certification.
